

1926 HOTEL

Descriere 1926 HOTEL 4*

1926 Hotel Spa offers 170 luxurious rooms and suites, which feature a touch of the roaring 20s, inspired by one man, Sunny Borg. The amalgamation of luxury and wellness make up the foundation of which 1926 Hotel Spa is built. Each room, as well as the common areas, make use of local aromatherapy products. This creates an aura of wellness throughout the hotel. 1926 Hotel Spa operates entirely through smart design technology. All the rooms have been equipped with intelligent energy management, room access control and SuitePad technology. In order to reduce waste 1926 Hotel Spa has eliminated the use of plastic and paper. Convenience is one of the pillars of 1926 Hotel Spa, therefore we send our guests their Access Room PIN prior to their arrival. This will ensure that self-check-in will be as smooth as possible.
